At DIY Cabinet Warehouse, the health and safety of our customers and staff is of utmost importance. Due to the COVID-19 pandemic, and in an effort to do our part to stop the spread of this virus, our showroom is closed to the public.

However, our designers and team are equipped to work with you remotely. Both telephone and online consultations are available.

If you are already working with a designer, please contact them directly. If not, please call 780.461.9094 or email Dwayne McCorrison to set an online appointment via Skype or FaceTime.
